This next Wednesday will be our award dinner. We will be following covid guidelines during the event. It will most likely be held at La Centinela Mexican Restaurant with more details to follow. We do not yet have clearance to return to Station 6 for our meetings, though we may have good news by March. We have not yet started up our discussion on the Golf Tournament, but there is time to make up our late start. Our itinerary for March has not been decided yet. It was approved to send flowers to John's wife.

Reports of Officers

Deputy Chief / Training Captain

The printer is no longer working. Dave approved the purchase of a new printer. Approval was given to Vance to take the printer and computer to his home so that he can make badges when required and be able to exercise the printer as needed. Mike is going to take back the coffee pot. Vance is looking into the possibility of holding a new CERT class. It is not possible at this time, but the situation is being reevaluated depending on covid restrictions.
