On Wednesday the 17th the operation will be moved to the Leisure Center. Hours are from 8 - 12 and 12 - 4. Tuesdays will be handled as normal. We will be losing our storage unit, so we will be moving the contents to a new location soon. We are waiting for word from Penny and Alan on where we will end up moving everything. We are starting up the Golf Tournament. We are a bit behind on that. It will be held on Monday September 13th. We have lost several things from the back room so we will need to do an inventory soon.

Reports of Officers

Deputy Chief / Training Captain

Susan at the Health Department has asked if there is anyone available to call people that have signed up for vaccination to see if they are still interested in it. Vance has the list if you are interested. We have put in about forty man hours a week for the last six or seven weeks at the Health Department. The general meeting will occur next week at Station 6. We will discuss ideas on what people want to do going forward. We will check into having a new training class for this year. The computer is not working; Vance is using his personal computer instead. New badges are being made with Microsoft Publisher. The old computer will be donated to the Veterans Resource Center.
