The meeting was called to order at 7:00 PM.

There was a problem with the Golf Tournament booking. The date had not been marked down correctly. Chris Scott (Director of Golf · The Chimneys Golf Course) is no longer there, and had failed to note the change in dates. Elizabeth Clarkson, formerly of Chateau Elan Golf Course, has taken over the position. Elizabeth made the correction in their booking system. Dave wanted to thank everyone that has helped out at all the events this past month. Everything worked out well at all the events. The Health Department has stated that they will sponsor a team. Dairy Queen is going to donate breakfast. We have moved everything into storage at the Lee Street location. There was a discussion on what would be done with all the trailers.

Updates were made to our Facebook page. Information was sent to BCES for their annual report book. If anyone has pictures from the Statham event, please send them to John. John and Dave met with BCES a week ago to discuss communications and social media activities. Direction was given on changes they would like to see. A Barrow County CERT YouTube page has been created. We will be making changes to how our Facebook page is structured. If you have any suggestions please forward them to John.

Secretary

It would be good if we could get assistance from GEMA with a train-the-trainer class. A link to our web site from the Barrow County web site would be a great help. All meeting minutes have been brought up to date and posted to the web site.

Motion to adjourn. The meeting ended at 7:40 PM.

Respectfully submitted

Secretary

Steve Kemble
